

**Newspapers from the Second World War  
Held in Russian Libraries –  
1936-1948**

The titles in this collection cover the period immediately surrounding the Second World War, encompassing the years 1936-1948. These newspapers were published in various cities, both within the Russian Empire and abroad. The titles are listed alphabetically. The majority of the titles published outside of the Soviet Union are in French and are largely leftist-oriented. All the titles are now available. Complete collection, 105 titles and 373 reels of 35mm microfilm.
